GENERAL INFORMATION INSTRUCTIONS

- This form collects data on the participation of small disadvantaged business concerns in contracts that contain the clause at FAR 52.219-25, Small Disadvantaged Business Participation Program - Disadvantaged Status and Reporting.
- 2. Submit this report to the contracting officer. If your organization is required to report subcontracting data under an individual subcontracting plan, you may attach this report to the final SF 294, Subcontracting Report for Individual Contracts, submitted under the contract.
- 3. Report in whole dollars.

SPECIFIC INSTRUCTIONS

Block 3. Report the total dollar amount of participation of small disadvantaged business concerns under the contract cited in Block 2. Participation may be through subcontracting, teaming arrangement, joint ventures, or as the prime contractor (provided the prime contractor waived its right to a price evaluation adjustment).

Block 4. Report the participation, if any, by small disadvantaged business concerns in this contract at the prime contract level. All prime contract dollars must be reported under the North American Industrial Classification System (NAICS) assigned to the prime contract. Report the dollar amount and percentage of the total contract value.

Block 5. Report, by NAICS Industry Subsector, as determined by the Department of Commerce, the participation by small disadvantaged business concerns in this contract at the subcontract level. Report the dollar amount and percentage of the total contract value.

Block 6. Provide the name, telephone number, and e-mail address of the individual who can answer questions related to this report.
